Grant
L1
NRx trained without interference
Grant
L1
NRx trained with interference
CRC fails: grant at once
A, B, C are sent again in U_s
2 of 10 blocks failed (≤ K): wait
✓ Earlier, no retransmission
10 of 10 blocks failed (> K): grant
Sent again, recovered in parallel
Cell with interference: trained NRx
✓ Earlier, no retransmission
Retransmission in U_s
L1 decodes the retransmission
Recovery in parallel
Earlier delivery
